Principal's Testimonial

TESTIMONIAL

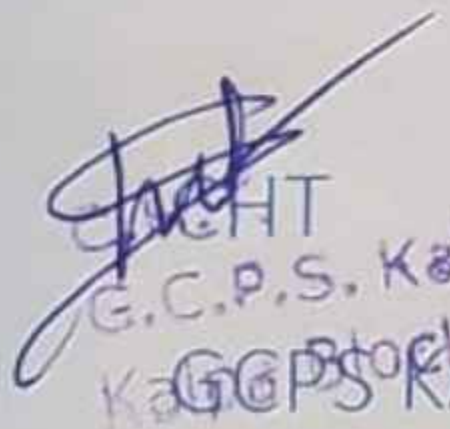

We extend our heartfelt appreciation to the entire team of Himdent Foundation(smiling school program) for their commendable efforts in organizing a dental checkup camp at GCPS KALPA-1. Your dedication to promoting oral health awareness among school children is truly inspiring.

The checkup was well-organized, thorough, and child-friendly. The way your team engaged with the students — educating them on dental hygiene and preventive care — has made a lasting impact. Initiatives like this are crucial in remote areas, and your presence has not only benefitted the children but also encouraged the school community to prioritize oral health.

A total of 30 students examined and 55(approx.) dental issues of 22 students were effectively treated- a remarkable achievement that highlights the need and impact of such initiatives in schools.

We sincerely thank you for your valuable contribution and look forward to more such collaborations in the future.

Warm regards,

Principal
G.C.P.S. Kalpa I
