Principal's Testimonial

I am deeply grateful to Himdent foundation and Dr. Aditya Vohra to providing exceptional dental care to students at GPS. Dadhag (2090114401) during the three day camp (w.c.f 26/5/25 to 28/5/25) under 'Smiling School Program' initiative.

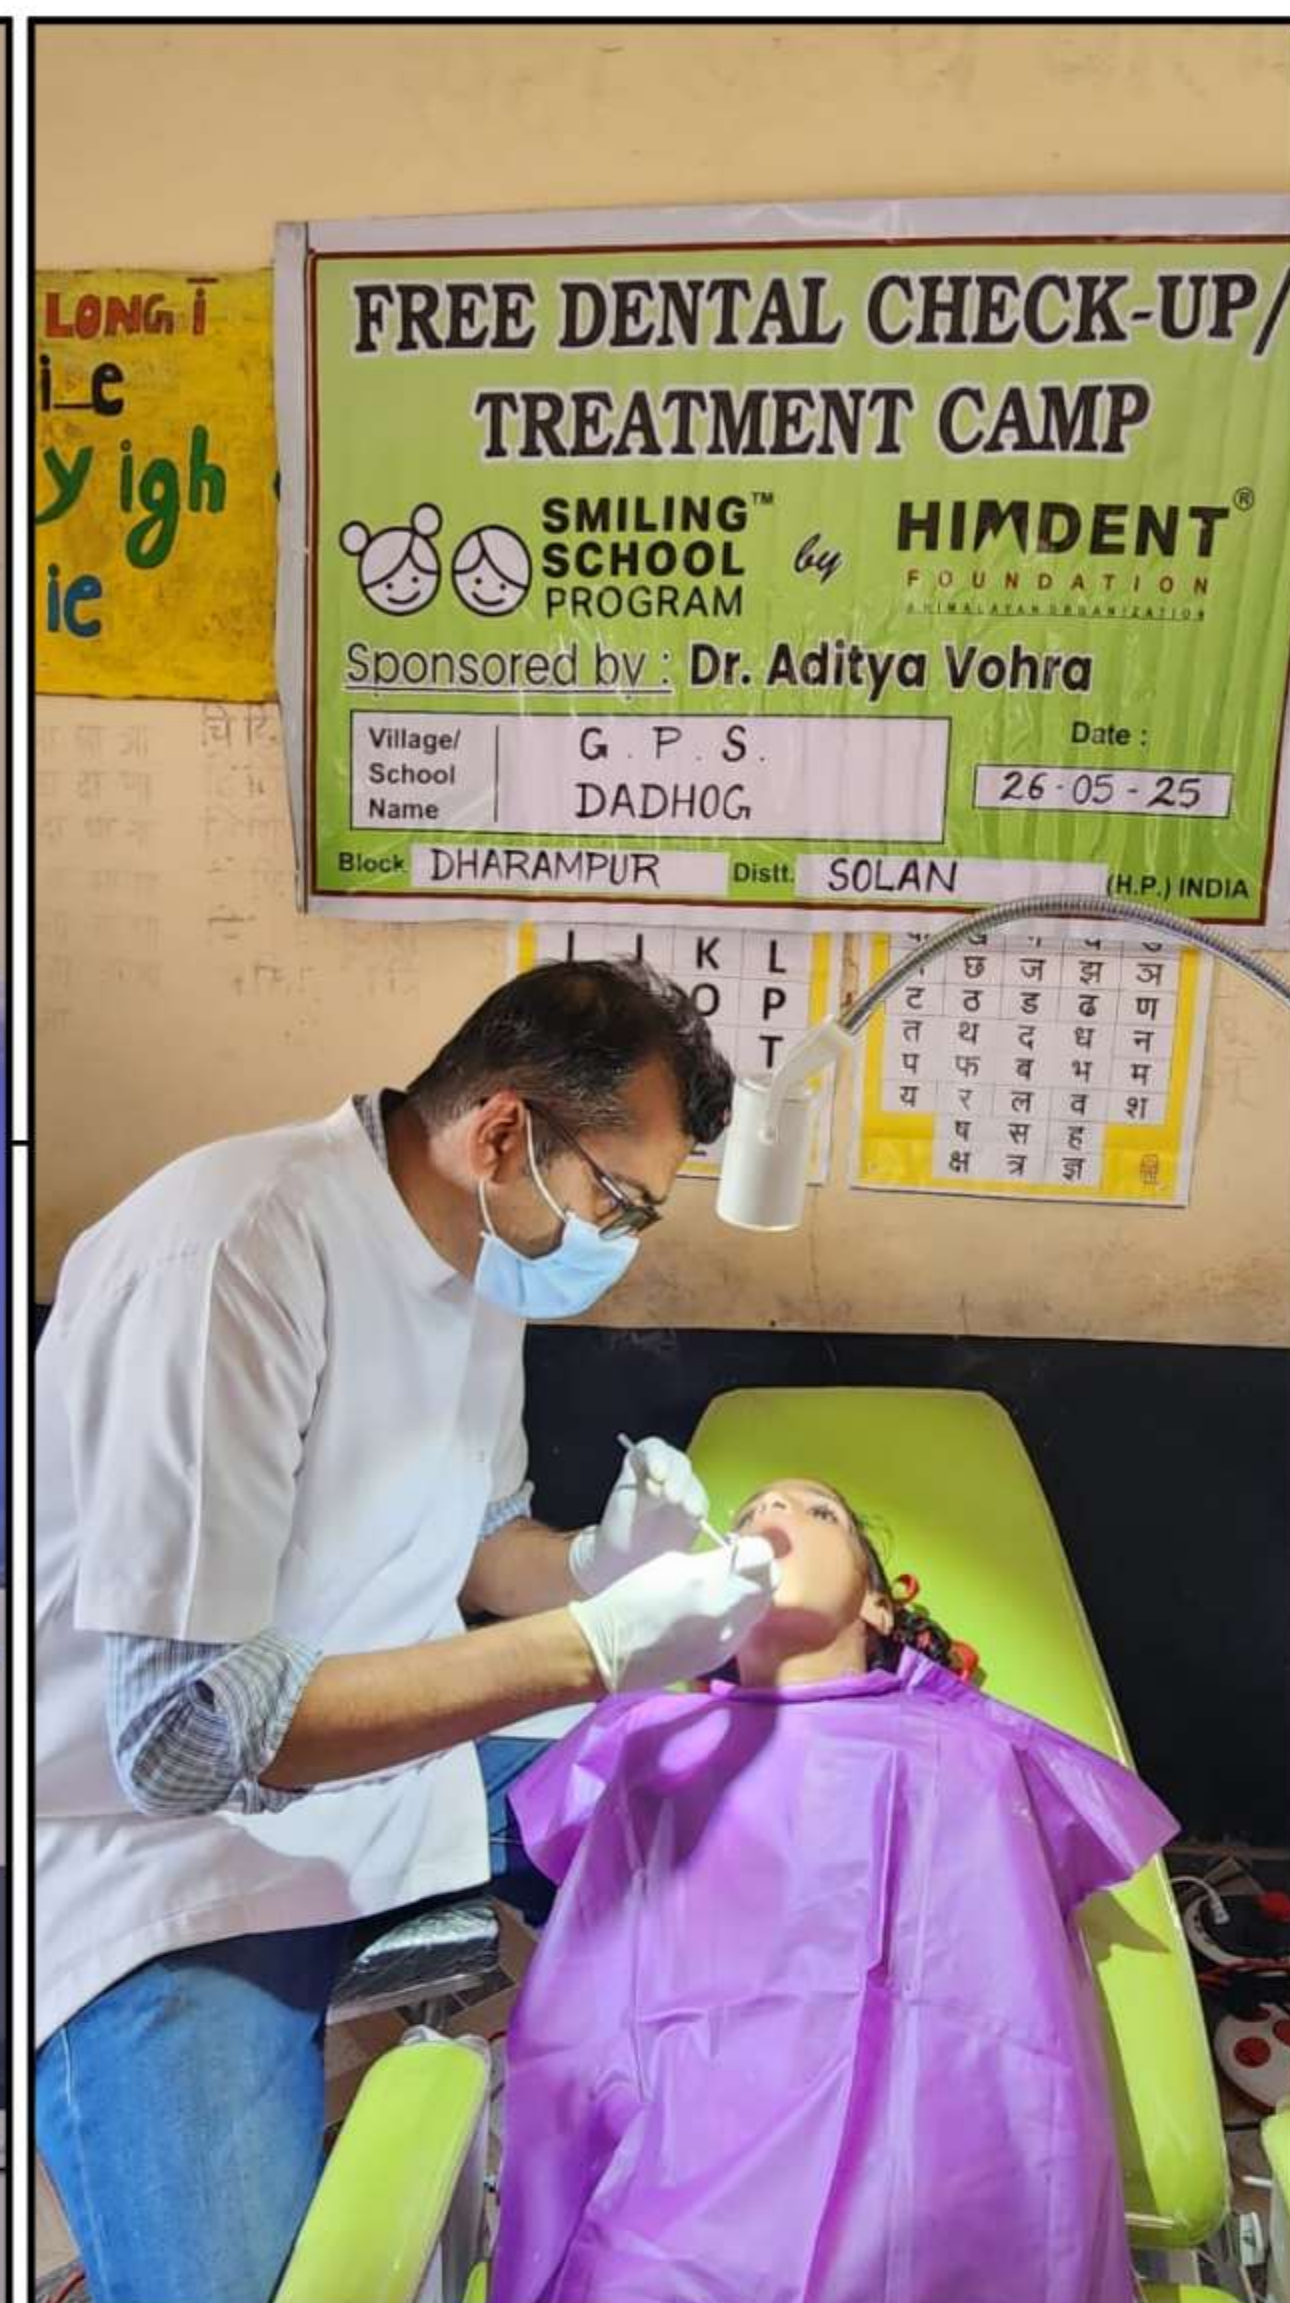

During this period they have examined 25 students and done 61 treatments in 25 students, 6 treatment in 2 school staff members.

The team's dedication expertise and kindness made a significant impact on students oral health. The comprehensive check-ups treatments and health education sessions were informative and empowering. Dr. Aditya Vohra's gentle approach and patience made the experience comfortable and reassuring.

I appreciate Himdent Foundation initiative to bring dental care to our school and community. This effort has not only improved students oral health but also raised awareness about the importance of dental hygiene.

Thank you Himdent foundation and Dr. Aditya Vohra for outstanding service and commitment to promoting healthy smiles among school students.
